VANCOUVER, BC – CreditLoans Canada Financing Inc. (the "Company" or "CreditLoans") introduces urLoan™, Canada's newest unsecured personal loan service. The Company's President & CEO, Ali Pourdad, a Chartered Accountant, explains the concept, "While Basel III capital requirements were introduced to strengthen our banks, in the process it has hurt the Canadian consumer. Several large international banks have stopped providing unsecured personal loans to Canadians, and the big five Canadian banks generally require you to own your home to obtain a loan. Meanwhile Payday lending has grown exponentially in Canada as these 'more aggressive' lenders look to profit off consumers who can't borrow from the banks. CreditLoans recognizes that there are millions of Canadians who live pay cheque to pay cheque and unfortunately can't own their home. These are hardworking individuals who simply need a financial alternative to give them some breathing room and maybe even take that vacation they've always wanted to."

urLoan™ was developed from the ground up to give the Canadian consumer an alternative to unreasonable Payday Lenders and banks who often require you to own your home to get financing. urLoan™ is a unique service in many ways, but most importantly we provide you a loan that is financially healthy for you to pay back. We work with you from the onset of obtaining your loan to ensure you have planned to manage your loan effectively.

urLoan™ provides flexible personal and debt consolidation loans ranging from \$1,000-\$15,000 with repayment terms ranging from 6 to 36 months. Your loan can be approved within 24 hours. Whether you are in a situation where you have little or no credit history, you wish to consolidate your existing debts, or you are trying to simply build or re-build credit, urLoan™ is YOUR LOAN. Call urLoan™ today at 1-855-723-LOAN (5626) or email [info@urloan.com](mailto:info@urloan.com) for further information.
